We have a block of 200 rooms available with special conference rates until April 1, 2005 at the Capsis Beach Resort & Sofitel Capsis Palace Hotel and Convention Centre. This is a resort hotel and convention center, whose rooms go fast throughout the tourist season. After April 1, there is no guarantee of room availability at the conference rates. In order for the convention center to plan for the PECS-VI conference, they will need to know the number of participants by April 1, 2005. Please reserve your room as soon as possible. This will assist the conference organizers and the hotel management.
